

Manitoba Foster Family Network

Health and Dental Plans

Taking care of our families

The Manitoba foster family network, working with insurance advisors Reg Bran and Mark Sawatzky, is pleased to offer the availability of Health and Dental plans to all our members and their families. Your membership in The Network offers you comprehensive Health and/or Dental protection at a discount from regular individual rates.

Regardless of your age or your health, acceptance of your application for base plan coverage is guaranteed.

All Dental Plans from Maritime Life include the following basic healthcare benefits:

- Medical equipment and supplies
- Accidental Death and dismemberment
- Vision car, ground and Air
- registered specialist, and therapists

You can choose from four different Dental plans, which all offer a range of coverage for Dental services along with the basic core benefits shown above.

Choose the coverage that's right for your needs, and budget.

To find out how you can insure against costly and unexpected healthcare expenses please contact:
