INDEPENDENT AUDITOR'S REPORT

To the Members of Manitoba Foster Family Network Inc.

We have audited the accompanying financial statements of Manitoba Foster Family Network Inc., which comprise the statement of financial position as at March 31, 2016 and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Network's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Network's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Manitoba Foster Family Network Inc. derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Manitoba Foster Family Network Inc. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended March 31, 2016, current assets and net assets as at March 31, 2016.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Manitoba Foster Family Network Inc. as at March 31, 2016 and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements

1. PURPOSE OF THE ORGANIZATION

The objective of the Network is to provide support to Manitoba foster families. The Network is a registered charity and is incorporated under the laws of Manitoba as a not-for-profit organization and is therefore not subject to income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The financial statements include the following significant accounting policies:

Financial instruments policy

Measurement of financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial instruments measured at amortized cost include term deposits, accounts receivable, accounts payable and accrued liabilities.

It is management's opinion that the Network is not exposed to significant liquidity risks, credit risks or market risks arising from the financial instruments noted.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates include providing for amortization of fixed assets. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Fixed assets

Fixed assets are stated at cost or deemed cost less accumulated amortization. The estimated useful lives, residual values and amortization methods are reviewed if events or changes in circumstances indicate the carrying amount may not be recoverable. Fixed assets are amortized over their estimated useful lives on a declining balance basis at the following rates:

Computer equipment	45%
Furniture and equipment	20%

Fixed assets acquired during the year are not amortized until they are placed into use. Fixed assets are amortized at one-half of the normal rate in the year of acquisition.

Leasehold improvements are amortized on a straight line basis over the remaining term of the applicable lease.

Fund accounting

The Restricted fund reports the income allocated to the continued operations of the Network should there be a change in funding.

The Invested in Fixed Assets fund reports the assets, liabilities, revenues, and expenses related to Manitoba Foster Family Network Inc.'s fixed assets.

Revenues and expenses related to program delivery and administrative activities are reported in the Unrestricted fund.

Revenue recognition

Manitoba Foster Family Network Inc. follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Province of Manitoba funding and grants are recognized as revenue in the period specified by the grant terms.

Conference and workshop fees, interest income and other income are recognized as revenue when earned.

Donations are recognized into revenue when received. Fundraising income is recognized as revenue when the fundraising activities are held.

4. TERM DEPOSITS

Term deposits consist of two deposits, earning interest at 0.66%, maturing in March 2017.

5. OPERATING LINE OF CREDIT

The Network has an operating line of credit available to them of \$10,000 (2015 - \$10,000). The operating line of credit is due on demand and bears interest at the bank prime rate plus 1% and is secured by a \$10,000 term deposit. At the balance sheet date, the amount outstanding was nil (2015 - nil).

6. DEFERRED CONTRIBUTIONS RELATED TO FIXED ASSETS

Deferred contributions related to fixed assets represent externally restricted funding received. These amounts are recognized as income as the related assets are amortized.
